

MANAGING YOUR CRANE & HEAVY EQUIPMENT, SCHEDULING, MAINTENANCE, STAFFING AND CONSTRUCTION JOBS JUST BECAME A WHOLE LOT EASIER.

IF YOU KNOW ALL ABOUT CRANES, HEAVY EQUIPMENT,
RIGGING AND DOGMAN, YOU WILL
BE PLEASED TO KNOW OUR SOFTWARE ALSO DOES!

WORKS WITH **MYOB** QuickBooks

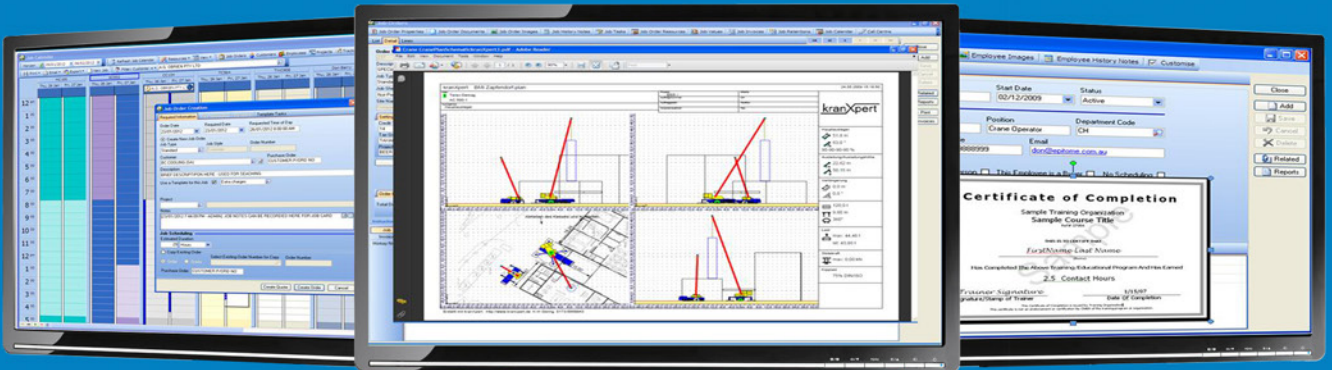

Epitome's Crane & Heavy Equipment Hire Jobs solution gets more of your crane & heavy equipment business processes in one place, avoiding duplication and having to manage multiple spread-sheets. Quote, order, schedule, purchase, manage, track, bill and notify staff in one easy-to-use solution.

- Manage crane & heavy equipment servicing, registration and staff certifications/compliance
 - Notify staff and managers in advance of important dates & events
 - Track crane & truck asset servicing & maintenance
 - Automate crane hire job quotes and orders
 - Store documents and images against jobs, customers and assets
 - Save kranXpert output images against projects and jobs
 - Use the CRM to manage customer, supplier & staff communication
 - Use standard or customised templates for different job types & checklists
 - Schedule crane & heavy equipment hire jobs with our drag and drop scheduler
 - Handles crane & driver substitution
 - Jobs can auto create any required purchases of inventory or certificates
 - Job cards specify all tasks & resources
 - Handles other building and construction type jobs including job progress, job profit and costs-to-complete.
- + Much More (see over)
