

Dealing with Suppliers

Catalogues & Landed Costs

For many businesses, having ready and immediate access to third party suppliers' catalogues is crucial. In particular for sales and order entry staff whose ability to instantly refer to this key data may mean the difference between a sale and a lost opportunity

And here, Ostendo excels. And that's because it provides the ability to select from a limitless range of catalogues and searching for one if necessary:

- > Display the details within catalogues
- > Select single or multiple items, pre-priced and pre-costed, ready to order for a customer at a click

The items in the Catalogue(s) may be goods that you hold in stock or always order in.

Catalogue No	Supplier	Catalogue Name	Status	Description	Intro Date
4	Engineering Supplies Pt...	Computer Hardware	Active	Engineering Supplies Catalogue	27/08/20
3	OneSteel	Flat Steel	Active	Flat Mild Steel	11/09/20
2	OneSteel	Pipe	Active	Steel Pipe	11/09/20
1	Electrical Power Company	Power Tools	Active	Power Tools Catalogue	27/11/20

Any number of Supplier Catalogues can be held within Ostendo and made available to Order Entry staff.

Each item within a catalogue is costed and priced and can be selected by simply ticking a box. Searching and auto-fill help make finding the right catalogue item easy.
